

EZ-SHAMPOO HAIR WASHING TRAY

Hand-held shower not included.

The EZ-SHAMPOO® HAIR WASHING TRAY is so simple, fast, and comfortable, it's head and shoulders above the rest.

The EZ-SHAMPOO® HAIR WASHING TRAY is so easy to use! Contoured to fit the neck comfortably, it simply rests on the client's shoulders for a refreshing shampoo while sitting in a chair or wheelchair. A unique rubber facing surrounds the tray and neck opening to provide superior comfort and prevent slipping. Raised edge prevents water from spilling over.

Compact and lightweight, the tray diminishes awkward bending for those with limited motion and reduces back strain for the caregiver. 35" strap wraps around client's forearm to stabilize tray. The EZ-SHAMPOO® HAIR WASHING TRAY is made from durable plastic and is easily cleansed with mild soap and water. Latex free.
