

# PLATFORM RAMP

## TELESCOPING PLATFORM

This multi-purpose telescoping ramp is compact for easy storage and conveniently sets up in seconds. Features two sections that connect to create one telescoping ramp that slides easily, allowing the ramp to be used at various lengths. Designed for maximum portability but also makes a great semi-permanent ramp. Available in 5-ft. and 8-ft. lengths.

## SOLID PLATFORM

This seamless platform ramp provides a sturdy and secure driving surface. The 1-piece design means no assembly or moveable parts; just position ramp and it's ready to use. Makes a great semi-permanent ramp for indoor or outdoor use. Available in 2-ft., 3-ft., and 4-ft. lengths.
